

عنوان المشروع أو حلقة البحث

اسم الطالب أو الطلاب المشاركين:

اسم المشرف(ون):

ملخص

- Describe your main findings
- And the importance of your research
- Include an image to illustrate your story

Replace this box with an image

أهمية البحث

- Answer the question “so what?” here
- Explain the relevance and importance of your work

Replace this box with an image

التمهيد

- Put your research in context
- Provide relevant background information
- Build up the story so people understand your work

Provide additional information or references, or add an image or figure here

الطرق التجريبية

Provide additional information or references, or add an image or figure here

- Put your research in context
- Provide relevant background information
- Build up the story so people understand your work

النتائج

- Outline your results
- Explain any surprises or anomalies

Add an image, figure or graph here (don't make it too complicated – people may watch your presentation in a small frame)

النتائج

- Outline your results
- Explain any surprises or anomalies

Add an image, figure or graph here (don't make it too complicated – people may watch your presentation in a small frame)

الخاتمة

- Present your conclusions
- Put them in context: how do they add to the bigger picture?

Replace this box with an image

العمل المستقبلي

*Provide additional information,
or add an image or figure here*

- Outline the next steps for the research
- Talk about current or future research
- Include a link to more information, if relevant
